

# JMI Policy Challenge Grant

## EOI Questions

# EOI Structure\*

---

## About the project

In this section, we are interested to learn more about your project, how you will deliver it, and what public policy challenge your project would address.

**\*Note: Applicants will be required to answer all EOI questions**

## Engagement

In this section, we are seeking to understand your plans for communicating your insights to policymakers. If the applicant(s) do not currently have existing relationships with relevant policymakers or policy practitioners but wish to engage them in the course of delivering their project, JMI can assist to connect you to relevant stakeholders.

## Funding

In this section, we are seeking to receive information about your anticipated project budget as well as other potential sources of funding.

# About the project

---

- 01** What is the title of your proposed project? (Maximum 50 words)
- 02** Briefly outline your proposed project, including the core focus/ topic of your research and the key research question(s) (Maximum 300 words).
- 03** Briefly outline how you will deliver the project, including methodology, key activities and project stages. If you will be engaging with any stakeholders as part of your project, including any relevant government policymakers, please include details of this approach here. (Maximum 600 words)

Alternatively, upload a pdf document outlining how you will deliver the project. The same word limit applies.

# About the project

---

- 04** Outline how your proposed project is relevant to a public policy challenge facing the NSW Government. (Maximum 300 words).
- 05** What impact is your project seeking to have on the policy challenge that you will address? (300 words)
- 06** What innovation(s) will your project contribute to solving the policy challenge? (300 words)
- 07** Is your research approach, or research team, multi-disciplinary? (Yes/No)  
  
If Yes: Describe how your approach or team are interdisciplinary, and how this will shape your project and its potential impact (200 words)

# Engagement

---

\*Note: JMI will support you to develop communications materials and to disseminate your work to the relevant policy audience. However, we would like to understand from you what methods of communicating your research you think might be most relevant to your specific project. Examples might include interview, podcast, op-ed, policy briefing or roundtable event, for example.

**08** Describe how you intend to communicate your research outputs to a policy audience. (200 words)\*

**09** Is your research relevant to more than one NSW government department/agency? (Yes/No)

Please describe which departments/agencies you think your project could be relevant to, and outline how it will be relevant. (Maximum 200 words)

**10** Do you, or a member of your project team, have existing professional relationships with relevant policymakers within the NSW Government? (Yes/No)

If Yes: Please describe the nature of these professional relationships (i.e., How are you already engaging with these policymakers?) (Maximum 200 words)

# Funding

---

\* Note: If you successfully progress through to the final round of the application process, you will be required to submit a detailed project budget. JMI will notify you if we require this and provide you with guidance on developing your budget.

- 11** Please indicate your anticipated overall project budget\*
- 12** Do you have, or anticipate receiving, additional funding for this project from another source? (Yes (Secured)/ Yes (not yet secured)/ No)

If Yes (Secured):

- How much additional funding do you already have for this project?
- What is the source of this additional funding? (i.e., which Institution has provided you with the funding?)
- Are there any conditions tied to your existing funding, that might have a bearing on your ability to publish a JMI Policy Insights Report, or to communicate your research findings publicly? (Yes/No)

# Funding

---

## 12 Continued

If Yes (not yet secured):

- How much additional funding have you sought for this project?
- What is the source of this additional funding? (i.e., from which Institution/organisation have you sought the funding the funding?)
- When will you know the outcome of this funding request?
- Is your proposed project conditional on receiving this additional funding? (Y/N)
- Are there any conditions tied to this potential funding, that might have a bearing on your ability to publish a JMI Policy Insights Report, or to communicate your research findings publicly? (Yes/No)

If Yes: Please outline the conditions associated with your existing funding. (200 words)

## We look forward to receiving your application!
